

Third Grade News

from the desk of Mrs. VanSleeten

September 21, 2018

| | |
|---|--|
| <p><u>Math:</u> We are busy learning about multiplication and how to turn division problems into a multiplication problem. We have also started learning our math facts.</p> | <p><u>Grammar:</u> We started working with mentor sentences in grammar this week. We learned about subjects and predicates.</p> |
| <p><u>Reading:</u> We have been reading and recording our thinking on sticky notes so we can say something to a partner. We also learned how to write a reading response.</p> | <p><u>Writing:</u> We worked on creating leads for our stories so readers will want to keep reading. We also created a story arc to help guide our writing so we don't miss our details.</p> |
| <p><u>Word Study:</u> We have not yet started our word study unit.</p> | <p><u>Social Studies:</u> We learned how to locate Michigan on a map and what makes Michigan unique on maps. We also learned about the Great Lakes and where they are located.</p> |
| <p>Specials for next week:</p> <p>Monday - Art</p> <p>Tuesday - STEAM</p> <p>Wednesday - gym</p> <p>Thursday - Music and library</p> <p>Friday - Art</p> | <p>FYI: Upcoming events-</p> <p>September 28 - book order due</p> <p>October 5 - walk-a-thon</p> <p>October 12 - Early release</p> |
