

Third Grade News

from the desk of Mrs. VanSleeten

September 7, 2018

<p><u>Math:</u> We are learning how math workshop runs in our classroom, how to get onto our computers to do Xtramath, and we started the multiplication unit.</p>	<p><u>Grammar:</u> We started working with mentor sentences in grammar this week. We learned about subjects and predicates..</p>
<p><u>Reading:</u> We have spent time this week learning about how to read during reading workshop time and picking just right books.</p>	<p><u>Writing:</u> We started our first writing unit which covers how to write personal narratives. This week we brainstormed ideas for our stories.</p>
<p><u>Word Study:</u> We have not yet started our word study unit.</p>	<p><u>Social Studies:</u> We worked on a packet called "My Place on the Planet". This is a great way for us to learn where we live on planet Earth. There will be a quiz over this information next Thursday. A review paper will be coming home.</p>
<p>Specials for next week:</p> <p>Monday - Music</p> <p>Tuesday - Art</p> <p>Wednesday - STEAM</p> <p>Thursday - GYM and library</p> <p>Friday - Music</p>	<p>FYI: Upcoming events-</p> <p>September 12 - school pictures</p> <p>September 14 - field trip notes are due</p> <p style="text-align: right;">Youth football night</p> <p>September 19 - field trip to Art Prize</p>
